• DESCRIPTION

Custom cast concrete Fireplace Surround & Hearth to your specification.

This drawing and hundreds of variations may be cast in all concrete with subtle color change or in a combination of mild steel and concrete.

Other variations including wood storage racks, sliding fireplace screens, tool racks are available.

Please fax drawings, concepts, and dimensions for a detailed estimate.

Available in a variety of surface finishes.

• FACTS

24 standard colors. See: www.sonomastone.com, catalog or techbinder. Custom colors available. Order samples online, or call 877-283-2400 x113.

Available in Classic Concrete in a variety of surface finishes including;

Mold Release: finish remains as is it when "released" from the molds.

Rustic: (Holes are unfilled, surface is lightly acid washed)

Acid Etched: (Holes unfilled, surface is acid etched).

Colors will vary according to surface finish.

For mounting applications, we recommend adhesive to level the substrate & plumb wall.

Height and Width are flexible as indicated. Minimum thickness of 2".

Weight varies by design.
