• DESCRIPTION

Pre-cast, acid-etched concrete tile with a distressed copper insert. Each copper "window" is hand-treated and unique as a tiny artist's painting. Elegant as an accent tile with our TruEdge tiles in an acid-etched finish.

Refer to Tile Accessory page for pieces that compliment these tiles (p25).

• FACTS

In Classic Concrete, acid-etched finish.

Tiles are not diamond-sanded, sealed and waxed.

Tiles are currently not available Stainless Nucrete™.

24 standard colors. See: www.sonomastone.com, catalog or techbinder. Custom colors available. Order samples online, or call 877-283-2400 x113.

Tiles are unfinished and unsealed. Sealing by installer.

Thin-set mortar can be used to install tiles to solid, level substrate.
