• DESCRIPTION

Pre-cast concrete tile with smooth, glassy surface.
For photographs, please visit www.sonomastone.com.
Refer to Tile Accessory page for pieces that compliment these tiles (p25).

• FACTS

Tiles come in Classic Concrete in a mold release finish. As the term implies, tiles are "as is" when released from their molds.
Tiles are not diamond-sanded, sealed and waxed.
Tiles are currently not available Stainless NuCrete™.
24 standard colors. See: www.sonomastone.com, catalog or techbinder. Custom colors available. Order samples online, or call 877-283-2400 x113.
Tiles are unfinished and unsealed. Sealing by installer.
Thin-set mortar can be used to install tiles to solid, level substrate.
See Slip Coefficient Test in the appendix.
