Tile • TraverStone

• DESCRIPTION

Pre-cast concrete tile with a travertine texture.

Nature makes travertine in a very limited amount of colors. We make a very close copy in any color. Mint Green? No problem.

Refer to Tile Accessory page for pieces that compliment these tiles (p25).

• FACTS

Tiles come in Classic Concrete in a mold release finish. As the term implies, tiles are "as is" when released from their molds.

Tiles are not diamond-sanded, sealed and waxed.

Tiles are currently not available Stainless NuCrete™.

24 standard colors. See: www.sonomastone.com, catalog or techbinder. Custom colors available. Order samples online, or call 877-283-2400 x113.

Tiles are unfinished and unsealed. Sealing by installer.

Thin-set mortar can be used to install tiles to solid, level substrate.
