• DESCRIPTION

Pre-cast concrete tile that is truly flat and square.
 Accurate dimensional tile used widely by designers because the many sizes available to create unlimited patterns.
 Great as a field tile or as a backsplash to a concrete countertop.
 Refer to Tile Accessory page for pieces that compliment these tiles (p25).

• FACTS

Tiles are not diamond-sanded, sealed and waxed. Tiles come in Classic Concrete in a mold release finish. As the term implies, tiles are "as is" when released from their molds.
 Tiles are unfinished and unsealed. Sealing by installer.
 Thin-set mortar can be used to install tiles to solid, level substrate.
 24 standard colors. See: www.sonomastone.com, catalog or techbinder. Custom colors available. Order samples online, or call 877-283-2400 x113.
